

Monday, October 28, 2019		Tuesday, October 29, 2019		Wednesday, October 30, 2019	
12:30-12:45	<b>Welcome and introduction</b>	<b>Session I: Surgery</b>		<b>Session IV: Deep Brain Stimulation (DBS)</b>	
<b>Introductory Course (Part I)</b>		08:00-08:30	Neuroanatomy of the brainstem local?	08:30-09:00	Functional anatomy of the basal ganglia
12:45-13:10	Basic principles of intraoperative neurophysiology	08:30-09:00	Surgery of skull base lesions	09:00-09:30	Functional surgery for movement disorders
13:10-13:40	Safety and troubleshooting in the OR	09:00-09:30	Surgery of brainstem lesions	09:30-10:00	Neuromonitoring of DBS
13:40-14:05	Anesthesia for neuromonitoring Vienna?	09:30-10:00	Surgery for vestibular schwannoma and other CPA lesions	10:00-10:15	Discussion
14:05-14:10	Discussion	10:00-10:20	Microvascular decompression of cranial nerves	10:15-10:45	<b>Coffee break</b>
14:10-14:30	<b>Coffee break</b>	10:20-10:30	Discussion	<b>Session V: Peripheral nerve</b>	
<b>Introductory Course (Part II)</b>		10:30-11:00	<b>Coffee break</b>	10:45-11:10	Surgery of obstetric brachial plexus injury
14:30-14:55	EEG	<b>Session II: Neuromonitoring (Part I)</b>		11:10-11:30	Neuromonitoring of brachial plexus surgery
14:55-15:25	MEP	11:00-11:30	MEP monitoring in infratentorial lesions	11:30-11:55	Surgical techniques in other peripheral nerve injuries
15:25-15:55	SEP & BAER	11:30-11:50	Monitoring and mapping of the ocular motor nerves	11:55-12:15	Neuromonitoring of peripheral nerve surgeries
15:55-16:20	Reflexology in the brainstem	11:50-12:20	Monitoring and mapping of the trigeminal and facial nerves	12:15-12:30	Discussion
16:20-16:30	Discussion	12:20-12:30	Discussion	12:30-13:30	<b>Lunch break</b>
16:30-17:00	<b>Coffee Break with Exhibitors</b>	12:30-13:30	<b>Lunch break</b>	<b>Discussion Groups</b>	
17:00-17:30	CoMEP & EMG	<b>Session III: Neuromonitoring (Part II)</b>		13:30-14:15	DG - Rotation 1
17:30-17:55	Mapping techniques (I): Brain & Spinal cord	13:30-13:55	Monitoring of the auditory pathways	14:15-15:00	DG - Rotation 2
17:55-18:20	Mapping techniques (II): Brainstem Kodama	13:55-14:25	Monitoring and mapping of the lower cranial nerves (CN IX-XII)	15:00-15:30	<b>Coffee break</b>
18:20-18:30	Discussion	14:25-14:45	<b>Coffee break</b>	15:30-16:15	DG - Rotation 3
18:30-19:15	<b>Magistral Lecture</b>	<b>Discussion Groups</b>		16:15-17:00	DG - Rotation 4
19:15-21:15	<b>Welcome Reception</b>	14:45-15:30	DG - Rotation 1	17:00-17:15	<b>Presentation of Educational Course 2020</b>
		15:30-16:15	DG - Rotation 2	17:15-17:45	<b>ISIN Travel Fellowship Award Ceremony</b>
		16:15-16:45	<b>Coffee break</b>		
		16:45-17:30	DG - Rotation 3		
		17:30-18:15	DG - Rotation 4
